Dear Parents/carers

Ofsted Inspection

Following our Ofsted inspection this week, I would like to thank you all for your positive comments about the school. The inspection report is not yet published so I am unable to share the findings with you at this time but we expect it to be available before half term.

Staffing News

We had planned to interview candidates for the part time teaching position in Oak class this week but postponed this due to our inspection. These interviews will now take place next week on Tuesday.

Guinea Fowl

On Thursday, Mary and Lizzie brought their newly born guinea fowl into school and told the children all about them. Did you know that Guinea Fowl can chase foxes away? The children really enjoyed holding them and learning many new facts. Thank you girls for sharing.

Young Voices

If you have not already returned your order forms please do so by Monday as we do not want disappointed children once T-Shirts etc. start arriving.

Parentmail

Mrs Howe has sent registration details to all parents who are not registered with our Parentmail communication service. If you did not receive an email or text message and are not registered please speak to Mrs Howe so she can update your child's records.

Medical Information

If there are any changes to your child's health or medical needs, please speak to Mrs Howe who will ask you to complete an updated medical form.

Little Acorns, Breakfast and After School Club

Please remember that your child must be pre-booked into any breakfast or after school club session they wish to attend. All children should have brought home a copy of the activities and booking information, if you have mislaid this and would like further copies, please contact the school office.

Village Traffic

Some of our neighbours have contacted us to raise concerns about the speed by which parents are driving through the village. Please can I ask that everyone adheres to the speed limit to avoid any accidents or collisions.

SAVE THE DATE

Rodmarton Primary School
