

### English:

This term our main story book is Supertato. We will be using this as a theme alongside our Superheroes topic. Our main aim is to encourage the enjoyment of reading and listening to stories. We will link this text to our writing as well, sequencing the story, writing shopping lists, labels, captions and character descriptions.

We will also read and write shape poems about the foods from the text. Look out for this story if you go to your local library if you don't have it at home!

We will be learning phonics on a daily basis, Year 1 children will have spellings to practice for a quiz on Friday.

### PE – Multiskills:

These skills include: Moving in different ways, along different pathways. Changing direction and stopping quickly. Rolling and aiming, throwing, catching, striking and gathering skills.

### Forest School:

We will be learning to use the 4 compass directions, do addition with natural materials, understand and observe seasonal changes.

### History:

This term we will be understanding about changes we go through from a baby into an adult. We will use a timeline to order these changes and asking questions to find out more information. We will ask for a baby photo to think about how we have changed.

We will also compare the lives of our grandparents from when they were little to what our lives are like now.

If your grandparent could visit please contact the office.

### Maths:

We use our Math's skills when playing in the water and sand, building with construction toys, in Forest School sessions and many more areas of the classroom. We also teach daily Math's sessions to help the children build on their early Math's skills. This term we will be developing the following skills:

Year One	Reception
-Place Value to 10 -Ordering numbers -One more and one less -Counting forwards and counting backwards -Addition and Subtraction (within 10)	-Numbers to 5 -Addition and Subtraction (Sorting and within 5) -One more/one less -Sorting into groups -Adding using objects- numicon

### Science:

This term we will be learning about our bodies. We will identify, naming, drawing and labelling the basic parts of the human body and saying which part of the body is associated with each sense.

We will also be looking at the foods from 'Supertato' and learning which foods are healthy for us. When making healthy smoothies and fruit kebabs we will learn about freezing and melting.

When designing superhero capes we will be testing different materials to see which would be most suitable. Do superhero capes need to be waterproof?

### RE:

- Being Special: where do we belong? What does the word God mean to you?
- The Creation Story. Thankful for Harvest

### PSHE: Thankfulness

- Understanding personal change and responsibility- All about me
- Why do we keep clean? What keeps me healthy? What makes me happy?
- Working together to create our class rules.

# Superheroes

### Geography:

When learning more about ourselves we will be focusing on where we are living. We need to understand what a country is and how the UK is made up of England, Scotland, Wales and Northern Ireland.

We will also be learning:

- Where the UK is on a world map
- Begin to learn the 7 continents and the 5 seas of the world.
- Know the flags of the countries that make up the UK
- Understand how symbols can represent countries.
- National flowers of the UK

### Art:

We will be drawing and painting self-portraits looking at Pop Art and using Lichtenstein's work as an influence.

### DT:

We will be designing, making and reviewing superhero outfits alongside our science skills about materials.

We are also learning where food comes from and using the basic principles of a healthy and varied diet to prepare smoothies and fruit kebabs
