

## MUSIC

During our music lessons this term we will be finding the pulse, listening to different styles of music, reading simple notation and playing untuned musical instruments with control.

## SCIENCE AND DT

During our science and DT sessions we will be looking at different houses an object and the material from which they are made. We will identify and name a variety of different materials and describe the properties of the materials. We design and build our our own houses and evaluate them once they are built.

## ENGLISH

This term our key text is 'The Three Little Pigs' we will learn the story orally and by drawing a story maps. We will improve the story by adding adjectives and story language openers. We will then invent our own characters and write our own versions of the story.

## ART

Digital media- houses in the village  
We will take digital photos and then manipulating them with different effects using APPs on the I pads.

## P.E

This term we will continue our focus on gymnastics. We will be learning how to transport and use equipment safely. Whilst working as a team. We will also be learning how to travel, jump and roll with confidence whilst linking movements both on the mats and on the equipment.

# HOMES AND HOUSES

## FOREST SCHOOL

This term we will be focusing on building different types of shelters. We will also use the Forest as a setting to re tell our key story- The Three Little Pigs.

## GEOGRAPHY

This term we will be focusing on our local surroundings. We will learn basic geographical vocabulary to refer to local and familiar features. We will study maps of Rodmarton and the local area. We will plan how you would travel to Tetbury and discuss what physical and human features we might see.

## MATHS

We will start the term by exploring time. We will sequence our daily activities and learn to tell the time to the hour and half hour (year 1s)  
We will focus on place value to 20 (reception) 40 (year 1). We will work on addition and subtraction within 5 (reception) to 20 (year 1). We will end the term by exploring measurement, focusing on length and height.

## PSHCE

During this term we will be discussing and thinking about relationships with our friends and family. We will explore what makes a good friend, what makes us feel happy and sad and how we can show kindness to ourselves and others.

## R.E

During this term we will read and discuss bible passages and stories based on the themes of forgiveness and peace.
