

# NEWSLETTER

Friday 3<sup>rd</sup> April 2020

Dear Parents/ carers,

## Keeping in Touch

Thank you for continuing to respond to my emails to let me know how you are. Although, we may be closed to many, we are still here for you all. Please keep in touch and share all that you have been doing as well as contacting me should you have any concerns or queries. We very much appreciate your continued support and appreciation of all that the school is doing.

## Google Classroom

Over the Easter break, we will continue to set activities on Google Classroom. This will not be the current curriculum work that we have been setting but instead, we will upload craft, garden and creative activities which will keep everyone busy. After the break, work will return to the current activities.

## Tesco Bags of Help

We have received confirmation from Tesco that following the removal of the voting stations in the supermarkets, we will still receive a donation of £1130 to further develop our mental health and nurture provision. Thank you to everyone who had voted for us!

## Parentpay

Please log in to your Parentpay account and clear any outstanding bills. We want to replace Parentpay with a more efficient and user friendly payment system in the future. With all debts cleared, it will be easier to transfer across. I recognise that these times are financially challenging. Please contact me if you are having difficulty clearing your debt. Please contact Mrs Sharp if you have any queries about your bill.

I wish you all a good Easter break. Following the holiday, I will continue to make contact with you all each week. This may be by email, text or phone call. If you need to contact me in the meantime, please do so.

Happy Easter but remember to follow government guidance:

## Stay at home

- Only go outside for food, health reasons or work (but only if you cannot work from home)
- Stay 2 metres (6ft) away from other people
- Wash your hands as soon as you get home
- Do not meet others, even friends or family

You can spread the virus even if you don't have symptoms
