

Rodmarton Primary School Accessibility Statement

Our school is a very friendly and happy place. If you come to visit us we will always do our very best to make you feel very welcome and make it as easy as possible for you to get around.

We have a nice flat playground and a big flat field to play games in. Our school is an old building though. We need to tell you that because it means that the corridors are a bit narrow so it can be a bit tricky if you are a wheelchair user. Also, two classrooms are upstairs and we don't have a lift.

The teachers do everything they can to help children learn and stay safe and happy, even if they need extra help with things sometimes. They know lots of ways to help.
