Pupil premium strategy statement

This statement details our school's use of pupil premium (and recovery premium for the 2021 to 2022 academic year) funding to help improve the attainment of our disadvantaged pupils.

School overview

Detail	Data
School name	Rodmarton School
Number of pupils in school	62
Proportion (%) of pupil premium eligible pupils	10% (6)
Academic year/years that our current pupil premium	2021/2022 to
strategy plan covers (3 year plans are recommended)	2024/2025
Date this statement was published	December 2021
Date on which it will be reviewed	December 2022
Statement authorised by	Caroline Musty,
	Headteacher
Pupil premium lead	Caroline Musty,
	Headteacher
Governor / Trustee lead	Dr Christine Hainsworth

Funding overview

Detail	Amount
Pupil premium funding allocation this academic year	£12,760
Recovery premium funding allocation this academic year	£1,160
Pupil premium funding carried forward from previous years (enter £0 if not applicable)	£0
Total budget for this academic year	£13,920

Part A: Pupil premium strategy plan

Statement of intent

At Rodmarton School, we ensure that all pupils have equality of learning opportunities, irrespective of their background or starting points so that they make good progress and achieve their full potential.

High-quality teaching for all pupils is at the heart of our approach. This is proven to have the greatest impact on closing the disadvantage attainment gap and at the same time will benefit the non-disadvantaged pupils in our school. Implicit in the intended outcomes detailed below, is the intention that non-disadvantaged pupils' attainment will be sustained and improved alongside progress for their disadvantaged peers.

In addition to high quality first teaching and learning, we focus on areas in which disadvantaged pupils require the most support. We make appropriate additional provision, ensuring that the needs of disadvantaged pupils are adequately assessed and addressed.

All our work through the pupil premium and Catch Up Premium will be aimed at moving children to, at least, age related expectations. Initially, this will be in English and Maths. Ultimately, the use of the pupil premium funding will secure effective engagement from pupils to their school programme and, therefore, this may cover basic physical needs, educational and emotional support and extra-curricular activities.

Our approach will be responsive to common challenges and individual needs, rooted in robust diagnostic assessment, not assumptions about the impact of disadvantage. The approaches we have adopted complement each other to help pupils excel. To ensure they are effective we will:

- ensure disadvantaged pupils are challenged in the work that they're set.
- act early to intervene at the point need is identified.
- adopt a whole school approach in which all staff take responsibility for disadvantaged pupils' outcomes and raise expectations of what they can achieve.

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	Some pupils are not achieving at an age-related expectations and have conceptual gaps or misconceptions.
2	In some cases, outside school there are low academic aspirations and expectations of some pupils and a lack of support for reading and homework.
3	There is an inequality of opportunity within the pupil population with some pupils having narrow experiences of life outside school.
4	Some pupils' lack stamina and resilience to persevere with their learning.
5	There are changes in the behaviour of some pupils, including anxiety, low self-esteem and low self-confidence.

Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
To improve the progress and attainment of all pupils.	At pupil progress meetings, pupils are on track to make good progress and reach their individual targets.
	Disadvantaged pupils are able to engage successfully in education, meet the required standards in line with National Expectations and their starting points.
	The gap in achievement of disadvantaged pupils and those pupils not receiving PPG is narrowed.
	The number of pupils reaching EXS and GDS within each year group is in line with national figures.
To improve parental engagement in all pupils' learning.	100% of parents attend parents evening and structured conversation meetings.
	By the end of each Key stage, pupils have reached their individual targets.

	Disadvantaged pupils are able to engage successfully in education Pupils report feeling well supported with their learning, both at home and in school. Parents report feeling better equipped to support their child's learning.
To improve opportunities and widen experiences for disadvantaged pupils.	Pupils will be exposed to a wide range of social, cultural, enrichment and sporting experiences within (and outside) the school day There is a significant increase in participation in enrichment activities, particularly among disadvantaged pupils
To improve engagement and resilience for all pupils in our school, particularly our disadvantaged pupils.	Pupils enjoy learning demonstrated in the qualitative data from student voice. Staff observe that pupils are motivated to persevere and confidently apply what they learn. Pupils have the skills required to access their next stage of learning.
To achieve and sustain improved wellbeing for all pupils in our school, particularly our disadvantaged pupils.	Nurture provision provided as required, both in class and through adult support.
	Sustained high levels of wellbeing from 2022/2023 demonstrated by:
	 qualitative data from student voice, student and parent surveys including the Online Pupil Survey and teacher observations
	a significant reduction in playtime incidences.
1:1 support for disadvantaged pupils: Creating teaching and learning opportunities that foster improved learning behaviour.	Whole school training around emotional needs, ACE's and emotion coaching
1:1 and group sessions to support children who are not heard read at home or do not have the opportunity to do their homework.	Targeted PP children are prioritised as daily readers. • Homework opportunities are built into school week for those that need it

Activity in this academic year

This details how we intend to spend our pupil premium (and recovery premium funding) this academic year to address the challenges listed above.

Teaching (for example, CPD, recruitment and retention)

Budgeted cost: £3000

Activity	Evidence that supports this approach	Challenge number(s) addressed
Review and evaluate our phonics and reading programme to ensure there is continuity and consistency in teaching and assessment for Early Reading from YR- Y2.	https://educationendowmentfoundation. org.uk/education-evidence/teaching- learning-toolkit/phonics	1
NELI training for EYFS Teaching staff.	https://www.elklan.co.uk/NELI/	1
Emotion Coaching for teaching staff.	https://educationendowmentfoundation. org.uk/education-evidence/guidance- reports/primary-sel	1, 4, 5
Trauma Informed Schools Lead Practitioner Training	https://educationendowmentfoundation. org.uk/education-evidence/guidance- reports/primary-sel	1, 4, 5
Regular CPD sessions and feedback to support teachers, with a particular emphasis on subject knowledge, and pedagogical improvements.	https://educationendowmentfoundation. org.uk/education-evidence/guidance- reports/effective-professional- development	1, 4, 5

Targeted academic support (for example, tutoring, one-to-one support structured interventions)

Budgeted cost: £6500

Activity	Evidence that supports this approach	Challenge number(s) addressed
----------	--------------------------------------	-------------------------------------

TA hours within the classroom to support individual pupils as part of quality first teaching.	https://educationendowmentfoundation.org.uk/support-for-schools/school-improvement-planning/1-high-quality-teaching?utm_source=/support-for-schools/school-improvement-planning/1-high-quality-teaching&utm_medium=search&utm_campaign=site_search&search_ter_m=Wave%201	1
Extra TA hours outside of Wave 1 work to deliver 1:1 and small group tuition in reading, phonics, writing, speaking and listening (NELI) handwriting and maths.	Some of the students need targeted support to catch up. Bespoke programmes led by skilled staff have shown to be effective in the school in previous years. Evidence from sources such as Visible Learning by John Hattie and the Sutton Trust-EEF Teaching and Learning Toolkit also support this view. https://educationendowmentfoundation.org.uk/educationevidence/teaching-learning-toolkit/one-to-one-tuition	1, 2
Purchase Educational Resources to deliver 1-1 and group interventions.	Identified programmes have shown to be effective in other schools. Evidence from sources such as Visible Learning by John Hattie and the Sutton Trust-EEF Teaching and Learning Toolkit also support this view.	1
Pupils will be given the opportunity to complete homework tasks in school where necessary.	https://educationendowmentfoundation.org.uk/education-evidence/teaching-learning-toolkit/homework?utm_source=/education-evidence/teaching-learning-toolkit/homework&utm_medium=search&utm_campaign=site_search&search_term=homew	1, 2
Identified pupils will be heard reading by an adult each day and focus on developing comprehension.	https://educationendowmentfoundation.org.uk/projects-and-evaluation/projects/reciprocal-reading?utm_source=/projects-and-evaluation/projects/reciprocal-reading&utm_medium=search&utm_campaign=site_search&search_term=reading	1, 2

Wider strategies (for example, related to attendance, behaviour, wellbeing)

Budgeted cost: £4420

Activity	Evidence that supports this approach	Challenge number(s) addressed
Teaching Assistants to provide wellbeing support in the classroom as part of a nurture group.	https://educationendowmentfoundation.org.uk/education-evidence/guidance-reports/primary-sel	4, 5
Fund after school clubs for disadvantaged pupils.	By giving pupils these opportunities, we enrich their learning experiences as fully as possible and provide equal opportunities for all pupils, regardless of families' personal means: Understanding Society report, "there is evidence that extracurricular activities play a prominent role in narrowing the inequality gap between advantaged and disadvantaged young people." (An Unequal Playing Field Report, Understanding Society 2016)	3
Contribute to the cost of school trips for disadvantaged pupils.	By giving pupils these opportunities, we enrich their learning experiences as fully as possible and provide equal opportunities for all pupils, regardless of families' personal means: Mahoney, Cairns & Farmer (2003)'s 8-year longitudinal study in the USA context found that extra-curricular activities had a significant positive effect on educational outcomes (including achievement and attendance) and a reciprocal positive association with educational aspirations across adolescence.	3
To support pupil emotional wellbeing and raise their selfesteem through a weekly nurture group.	https://educationendowmentfoundation.org.uk/education-evidence/guidance-reports/primary-sel	1, 4, 5
Remind parents and carers of our Parent Support Advisor (PSA) PSA to keep in weekly contact with	https://educationendowmentfoundation.org.uk/education-evidence/guidance-reports/supporting-parents?utm_source=/education-	2, 3

more vulnerable parents.	evidence/guidance- reports/supporting- parents&utm_medium=search&utm_ campaign=site_search&search_term =Parent	
All disadvantaged children to have access to a Chromebook or Laptop if the class needs to self-isolate.	https://www.suttontrust.com/our- research/remote-learning-the-digital- divide/	1, 2, 3
TA/ Teacher hours within the classroom to support pupil wellbeing.	Some of the pupils have emotional difficulties which impacts on how they behave. We want our pupils to fully engage with all learning opportunities. https://educationendowmentfoundation.org.uk/educationendowmentfoundation.org.uk/educationendowmentfoundationevidence/guidance-reports/primary-sel	4, 5

Total budgeted cost: £13 920

Part B: Review of outcomes in the previous academic year

Pupil premium strategy outcomes

This details the impact that our pupil premium activity had on pupils in the 2020 to 2021 academic year.

Due to COVID-19, performance measures have not been published for 2020 to 2021

V 0		D P	MA COLOR	NA. (L.

	Non PP (5)	80%	80%	80%
		4/5	4/5	4/5

Our internal assessments during 2020/21 suggested that the performance of disadvantaged pupils was lower than in the previous years in key areas of the curriculum.

Our assessment of the reasons for these outcomes points primarily to Covid-19 impact, which disrupted all our subject areas to varying degrees. As evidenced in schools across the country, school closure was most detrimental to our disadvantaged pupils, and they were not able to benefit from our pupil premium funded improvements to teaching and targeted interventions to the degree we had intended. The impact was mitigated by our resolution to maintain a high quality curriculum, including during periods of partial closure, which was aided by use of live teaching and online resources.

Externally provided programmes

Please include the names of any non-DfE programmes that you purchased in the previous academic year. This will help the Department for Education identify which ones are popular in England

Programme	Provider
Maths	White Rose Maths. Company number: 10831473
Phonics	Pearson
