Great village location, 10 mins from Cirencester, 5 mins from Tetbury. Bus service available.

Our school lies in an idyllic location in the heart of the village of Rodmarton, surrounded by fields and woodland.

At Rodmarton, nobody is invisible. Everyone has an important role to play and is valued, treated with respect and encouraged to achieve their full potential.

There is a strong partnership between all members of the community, with parents actively involved in the daily life of the school.

## Our Vision

To create a nurturing environment which inspires each pupil to achieve their full potential and to leave Rodmarton School as well-rounded young people with the knowledge, skills and confidence to be successful citizens in the modern world.

An early morning and after school club serves the needs of busy parents. Hot school meals are served daily.

We encourage pupils to develop knowledge, skills and attitudes that enable them to become reflective learners and grow into responsible citizens, equipped to thrive in modern Britain.

Refurbished classrooms, a modern library, resource/ computing suite, extra teaching room and a hectare sports field equip the school for high-quality teaching and learning.
